FOREWORD

Forming part of Conditions of Sale

The sale is by the direction of Andrew Hooker Esq t/a Kent Tractors Ltd. Andrew has amassed an impressive collection of vintage and classic tractors over a 20 year period. He has a keen eye for straight, original and low houred examples as well as the more uncommon variants such as the comprehensive line up of vineyard and narrow conversions. Many of the tractors have been acquired by Andrew from past deals, attending local sales, contacts through Kent Tractors and also by regularly attending our Cambridge Machinery Sales. Virtually all the tractors will be running by saleday, with the majority of them having been stored undercover. Due to the expansion of Kent Tractors, Andrew has decided to dispose of this collection and to concentrate on the business.

2. VALUE ADDED TAX ON PURCHASE PRICE

- 2.1 VAT at the standard rate will be added to the purchase price of all lots. The only exceptions to this will be the case of ‘zero rated’ or ‘exempt lots’. The Auctioneers will state at the time of sale if any lots fall within these exceptions.
- 2.2 In the case of overseas purchasers from EC countries they will be required to supply the Auctioneers with their VAT/FISCAL NUMBER AND OTHER RELEVANT INFORMATION AS REQUESTED in order that the items may be invoiced at zero rate for VAT purposes. HOWEVER, A VAT DEPOSIT EQUIVALENT TO THE STANDARD RATE OF UK VAT WILL BE CHARGED ON ALL LOTS.
- THE GOODS MUST BE SENT OR TRANSPORTED OUT OF THE UK TO A DESTINATION IN ANOTHER EC MEMBER STATE. It is the responsibility of overseas purchasers from EC Countries to ensure that they or their haulier complete and sign a COLLECTION CERTIFICATE on collection of the goods purchased. The original certificate must be left with the Auctioneers.
- Upon the above requirements being met in full, a refund of the VAT deposit will be made to the purchaser. Failure to do so will result in the VAT deposit being paid over to Customs & Excise as VAT.
- 2.3 In the case of overseas purchasers from NON EC COUNTRIES, they will be required to pay a VAT DEPOSIT equivalent to the standard UK rate. Such amount will be refunded to the overseas purchaser if the Auctioneers receive, within three months of the time of supply, a satisfactory Bill of Lading or Certificate of Shipment as proof of shipment of the lots outside the EC, failing which the VAT deposit will be paid over to Customs & Excise as VAT.

Purchasers should satisfy themselves prior to sale of the lot as to the condition of each lot and should exercise and rely on their own judgement as to whether the lot accords with its description. Neither the Auctioneers, their servants or agents are responsible for errors of description or for the genuineness or authenticity of any lot, unless otherwise stated no warranty is given by the Auctioneers, their servants or agents or by any vendor to any purchaser in respect of any lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law

13.3 Notwithstanding that the title has not passed to the purchaser all risk of damage to the lot shall pass to the purchaser immediately upon sale (the fall of the hammer)

13.4 The purchaser shall until payment has been made in full keep the lot in good marketable condition and readily identified and shall indemnify the vendor or the Auctioneers as the case may be for any damage
