

The image shows the entrance of a building. A white door with a glass insert is slightly ajar, revealing a dark interior. To the right is a large, fluted stone column. The entrance is framed by a decorative transom window with a white metal grille. Lush green ivy hangs from the top of the frame. Two large, dark brown ceramic pots with plants are on either side of the door. A brown doormat is on the steps leading up to the door.
